Clarifications / Corrigendum

Sl. No.	Clause No.	Existing Provision / Query Raised by Bidder	Clarification/Corrigendum by Puri Municipal Corporation
1	Clause 3(xxi) (Pg. 11)	<p>Clause 3(xxi) stipulates that the hire charges of vehicles shall not exceed Government-approved rates. In this regard, it is requested to clarify:</p> <p>a) In the event of revision of the Government Rates during the contract period, whether the vehicle hire charges payable under the contract shall also be revised correspondingly and in the same proportion.</p>	<p>The provision regarding Government-approved vehicle hire rates has been incorporated only as a reference benchmark. Considering the nature of the work, which involves deployment of vehicles along with manpower for collection, segregation and transportation of municipal solid waste under ECS operations for a long-term contract period, bidders are required to independently assess all costs associated with the execution of the work, including but not limited to vehicle procurement, maintenance, repairs, insurance, permits, statutory compliances, replacement of spare parts, operational risks, depreciation, fuel consumption and other incidental expenses.</p> <p>Accordingly, bidders are permitted to quote vehicle hire charges based on their own commercial assessment, and such quoted rates may exceed the prevailing Government-approved vehicle hire rates, if considered necessary by the bidder for successful execution of the contract.</p> <p>Clause 3(xxi) stands modified and shall be read as follows: "The rental price quoted by the bidder must encompass</p>

			<p>the cost of fuel, lubricant, repair and maintenance, replacement of tyres, tubes, battery of the vehicle and all other incidental expenses, providing a comprehensive cost estimate. The Government-approved vehicle hire rates are indicative in nature and intended only as a reference benchmark."</p>
2	<p>Clause 3(xxxi) (Pg. 12)</p>	<p>Clause 3(xxxi) requires deployment of at least one Vehicle Manager. It is requested to clarify:</p> <p>a) Whether the cost of the Vehicle Manager is to be included in the manpower component quoted by the bidder.</p> <p>b) Since no separate provision for Vehicle Manager cost appears to be specified, kindly clarify the mechanism through which the cost of deployment of the Vehicle Manager shall be reimbursed/considered for payment.</p>	<p>The bidder shall quote the cost of the Vehicle Manager separately in the Financial Bid. Accordingly, Annexure-VII (Financial Bid Format) has been revised and is enclosed with this Corrigendum.</p> <p>The rates quoted for the Vehicle Manager shall be in accordance with the prevailing notifications/orders of the Labour & ESI Department, Government of Odisha, including applicable statutory contributions and compliances.</p> <p>The revised Annexure-VII shall form an integral part of the RFP and all bidders shall submit their financial bids accordingly.</p>
3	<p>Clause 8 (Pg. 16)</p>	<p>Clause 8 states that rates quoted by the bidder shall remain firm and fixed throughout the contract period and that escalation shall be permitted only in case of statutory revision of minimum wages for Drivers and Loaders. However, the clause also mentions "Inflation or market variation" among the listed provisions.</p> <p>In this regard, clarification is sought on the following:</p> <p>a) Whether any escalation shall be admissible on account of increase in fuel prices (diesel/petrol, as applicable) during the contract period.</p> <p>b) If fuel price escalation is not admissible, kindly confirm that the only permissible escalation under the contract is the differential amount arising from</p>	<p>Clause 8 stands modified and shall be read as follows:"The rates quoted by the bidder shall be firm, fixed and binding throughout the contract period. Escalation shall ordinarily be admissible only in case of statutory revision of minimum wages and related statutory contributions as notified by the Labour & ESI Department, Government of Odisha.</p> <p>In such cases, escalation shall be restricted strictly to the difference between the pre-revised and revised minimum wage rates and corresponding statutory contributions, as notified by the Labour & ESI Department, Government of Odisha and shall be payable only on the actual manpower deployed.</p>

statutory revision of minimum wages notified by the Labour & ESI Department, Government of Odisha.

Under no circumstances shall escalation be allowed on fuel, service charge (in terms of quoted percentage), profit margin, overheads, any non-wage component.

However, in the event of any exceptional and unforeseen circumstances having a substantial impact on the execution of the contract, PMC reserves the right to examine the matter and consider appropriate relief, if deemed necessary, subject to approval of the Competent Authority. The decision of PMC in this regard shall be final and binding on the Bidder."
